No. 38
Encl: one

From

THE PRESIDENT,
Municipal Commission,
Bangalore City.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
BANGALORE.

Sir,

With reference to Government Proceedings No. 4720-3/L.F.37-99 dated the 4th Ultimo, directing the allotment of the entire revenue from Tolls and Water-Tax towards the annual maintenance charges of the Water Works, I have the honor to state that the question was finally considered by the Board at the meeting of the 21st Instant and copy of their resolution is herewith submitted for the favorable orders of Government.

2. Recently Government have been pleased to order for the repayment of the remaining portion of the loan amounting to Rs. 38.340-14-1 at the rate of Rs. 10,000/ per year.

Further, a Sum of Rs. 25,000/ has to be shortly paid every year on account of Electric lighting and this item will entail an additional expenditure of Rs. 10,000/ on the Municipality as compared with what it was hitherto.

Again, Government have directed the Municipality to find funds for the completion of the unfinished portion of the work of improvement amounting to Rs. 27,877-12-11 out of the estimate of 1,25,000/ which is being worked out by the Public Works Department.

Taking into consideration all these extra charges

2

on the Municipality, the Board have resolved to request Government for the reconsideration of the order under -- reference since they have already expressed their inability to contribute once more than Rs. 25,000/ and again more than Rs. 30,000/.

3. In view of the additional burden thus simultaneously thrown on the resources of the Municipality under various heads, I beg to request that the Government will generously waive their claim for whole of the receipts under Toll and Water-Tax and limit their demand on account of 'Water Works' only to a lump sum of Rs. 30,000/.

I have the honor to be

Sir,

Your most obedient servant,

N. D. Nagarkar

President.

8. Government Proceedings No. 4720-8—L. F. 37-99, dated the 4th June 1904, directing that from and after the year 1903-04, the entire revenue from water-tax and tolls, subject to a minimum contribution of Rs. 30,000 per annum, should be assigned from Municipal Funds towards the annual maintenance charges of the Water-works.

Resolution:-The Board are of opinion that the Government may be respectfully approached to reconsider the present order and to grant their original request-that of limiting the annual contribution to Rs. 30,000 only- as otherwise, the most useful and urgent works of even ordinary nature will have to lie over indefinite -ly for want of funds. The concession craved for will also enable the board to pay Rs 27,782-12-11- the cost of completing the work alluded to in Para3 of Government Proceedings No. 4706-10/L.F.43-98 dated 4th June 1904.
